

CONGRATULATIONS SILVER STATE BORING, INC.

When Silver State Boring, Inc. located in Gardnerville, Nevada were ready to upgrade their boom truck they turned to the expertise of Coastline Equipment Crane Division. They were interested in a boom truck with a truck chassis powerful enough to carry a payload on the deck as well as pull a trailer loaded with boring equipment. The 28 ton capacity Manitex equipped with 92' main boom and 46' 2 pc. Jib fit perfectly. And with the front bumper mounted hydraulic stabilizer he will be able to pick full capacity of the crane 360 degrees! They could not be more pleased with the machine and look forward to many years of service with their Manitex.
